

S110F

1.6L freezing cylinder, compact size, which is suitable for all kinds of stores. Perfect refrigeration configuration, timely mix-low alarm bring you a brand new high output experience.

Soft Ice Cream machine

Single hopper, single flavor

Silence

Mute function, suitable for all kinds of high-class occasions

Continuous discharging ability

Keep discharging even during the peak time

Ingenious designing

High cost-performance

Frequency conversion, energy-save and environment-friendliness

Adopt the most advanced soft-starting technology, safer and more energy-saving

Standby function

Keep the temperature of hopper and cylinder remain 1-4.5°C in the evening

Intelligent fault detection

Intellectual detection, multiple security
